

**Southern California Area SA Intergroup  
SCASAIG**

The purpose of this form is to foster better communication between the SA Intergroup (IG) and each group in the Southern California Area. IG sends monthly Agenda, Meeting Minutes, and Treasury and other reports via email. We hope each group will appoint a general service representative (GSR) to be an IG contact and to attend the monthly business meeting so that the message can be carried home to the membership of SA.

The Intergroup business meeting is held the last Saturday of the month at 5:30pm, followed by the All Groups Speaker Meeting. Visit the Local Business page of the [www.sasocal.org](http://www.sasocal.org) website for location and other details.
